YEARS OF RESIDENCY IN WARD 5: 1.5

EMAIL ADDRESS: TalleyMC@gmail.com

Tell us something about yourself:

I'm a 20 year resident of the District of Columbia and live in Woodridge with my wife and young son. For 30 years I've been an information technology professional and currently serve as Data Architect for The Architect of the Capitol. I received a Bachelor of Science degree from The University of Maryland, and a Master of Music degree from The Catholic University of America. I'm active in the union American Guild of Musical Artists (AGMA) and was the union rep from 2015-2018. In 2016 I co-chaired the committee that negotiated the AGMA Collective Bargaining Agreement with the Kennedy Center. I'm a parishioner at St. Matthew's Cathedral.

Why are you seeking to serve as an Officer of the Ward 5 Dems and what would you like to see accomplished during your tenure?

The upcoming 2020 election is important for Ward 5, our city, and our country. This election is a call to all of us to join together. By expanding our membership, celebrating our diversity, educating our residents, and listening to each other we can build on the successes of 2018. As Treasurer, I would work hard to accomplish these goals: collaborating with diverse groups to register more Democrats, working to increase voter turnout, and educating residents about Democratic issues.
